ROGERS SMALL BUSINESS TERMS OF SERVICE

1. Introductory Information

a. How do the Rogers Terms of Service apply to me?

These Rogers Terms of Service (“**Terms**”) govern your use of:

- i. the Rogers services that you subscribe to or purchase under a service agreement or receive from or through Rogers, including business wireless, Internet, phone, television and other business services (“**Services**”); and
- ii. any device or equipment used to access the Services or used with the Services (“**Equipment**”).

In these Terms, “**Rogers**”, “**us**”, “**we**” and “**our**” means the Rogers entity named in the service agreement for the specific Service you subscribe to. These Terms do not apply to services offered by Rogers Media Inc. or its subsidiaries.

b. How do the Rogers Terms of Service work with my service agreement and other materials made available to me?

These Terms work together with the following materials to form your complete agreement (“**Agreement**”) with us, and provide you with the important information you need to help you fully understand your Services:

- i. Your **service agreement** for the specific Service you subscribe to (such as a small business wireless service agreement).
- ii. Our **Acceptable Use Policy**, which sets out the rules, policies and limits you must abide by when using the Services. Our Acceptable Use Policy lists examples of prohibited activities and unlawful or inappropriate content and gives us the right to remove content and/or suspend or terminate your Services if you violate the policy.
- iii. Our **Privacy Policy**, which sets out our policies in relation to the collection, use and disclosure of your

personal information. Our Privacy Policy details why we collect customer information, how we use it and how we share it, and specifies how to contact us if you would like more information on our personal information handling practices.

- iv. Any **additional terms and conditions** that may apply to a specific Service that you subscribe to or use (e.g., Rogers Unison™, Microsoft Office 365, G Suites and Shopify).
- v. Any **Rogers brochure or material describing your Services or products you purchase**.

Your Agreement, with any amendments, is the entire agreement between you and Rogers for the applicable Services. Each Service that you subscribe to is a separate Agreement with us. If there is any inconsistency between the materials listed above and these Terms, these Terms will prevail.

c. Who is responsible for complying with the Agreement?

You, as account holder, are responsible for complying with the Agreement. Among other things, you are responsible for:

- i. all charges on your account;
- ii. ensuring that anyone who uses Services under your account or with your authorization complies with the Agreement;
- iii. ensuring that others do not gain unauthorized access to your account and your Services, including by protecting the security of any user names or passwords relating to your account;
- iv. ensuring that any information you have provided to us is up-to-date and accurate, and to let us know if it changes.

d. May I transfer my Agreement to someone else?

You will need our prior permission if you want to assign, transfer, resell or share any Services or an Agreement. We may assign or transfer an Agreement or any of our rights or responsibilities under an Agreement without your permission.

2. Service Term, Changes and Cancellation

a. What are the categories of Services covered by my Agreement?

The Services are categorized as follows:

- i. **“Term Services”** are Services that you subscribe to for a committed period of time as indicated on your applicable service agreement (**“Term”**);
- ii. **“Month-to-Month Services”** are Services that you subscribe to on an ongoing basis, but not with a Term; and
- iii. **“Pay-Per-Use Services”** are Services that you use on a per-usage basis (which may be a one-time usage, or usage for a set period of time, such as one day or one week), but not on an ongoing basis.

b. What is the term of my Agreement?

The term of each Agreement starts on the initial activation date of the Services or the Equipment, whichever is earlier (**“Activation Date”**). At the end of the Term for a Term Service, the Service will automatically become a Month-to-Month Service and you will keep your existing Service and Agreement with us, unchanged, until they are changed or cancelled in accordance with these Terms.

c. Can Rogers change my Services or my Agreement?

Yes, Rogers may change your Services or Agreement as described below.

For wireless Services:

We may change any aspect of a Month-to-Month Service and the corresponding Agreement, as long as we give you at least **30** days' prior written notice. We may also change aspects of a Term Service and the corresponding Agreement, other than a key term as defined in the Canadian Radio-television and Telecommunications Commission (CRTC)'s Wireless Code, if applicable, upon at least **30** days' prior written notice to you. In either case, we will send you the written notice by bill message, text message, letter or e-mail and will explain the change and when it will take effect.

For non-wireless Services:

We may change any aspect of a Month-to-Month Service or Term Service as well as any term or provision of an Agreement, upon prior written notice to you by bill message, text message, letter or e-mail. If you do not accept the change, your remedy will be to cancel the affected Services or Agreement by providing us with notice of cancellation under Section 2(e) below within **30** days of receiving our notice of change (unless we specify a different notice period or different remedy).

For Pay-Per-Use Services: Pay-Per-Use Services are subject to availability and may be changed or cancelled by Rogers at any time without prior notice to you.

d. May I change my Services?

You may change your Services at any time by contacting us in any of the ways set out in Section 8(e) below. You may be subject to an administrative charge in accordance with Section 3(e) below. You may also be charged a fee to change your Service. Please note that if you wish to change a Service, you may only be able to change to a Service that is currently available in market. Also please note that any Service you remove may no longer be available for the price that you currently pay or at all.

e. How can I cancel my Services and when does cancellation take effect?

You may cancel your Services as described below.

For business wireless, television, Internet and phone Services:

You may cancel any or all of your Services and any corresponding Agreement at any time by calling us at the telephone number set out in Section 8(e) below. Cancellation takes effect on the day that Rogers receives notice of the cancellation, or a future date specified in that notice (if applicable), whichever is later. Applicable charges continue until that date. However, if you only cancel a television Service add-on or an internet Service add-on, applicable charges continue to apply until your next billing date for that add-on.

For all other Services:

You may cancel your other business Services and any corresponding Agreement by calling us at the telephone number set out in Section 8(e) below with (i) at least **60** days' notice if your Term has not expired or (ii) at least **30** days' notice if you are on Month-to-Month Services. Applicable charges continue until the end of the notice period.

f. Will I be charged an early cancellation fee if I cancel my Service(s)?

If you subscribe to a Term Service that you cancel before the end of its Term, you will be charged an early cancellation fee as described in the service agreement for that Term Service ("**Early Cancellation Fee**").

g. What happens if I transfer my Service(s) to another service provider?

Transferring your Service(s) to another service provider is a cancellation of the applicable Service(s) and an Early Cancellation Fee may apply if the transfer results in the cancellation of a Term Service before the end of its Term. Any Service remaining on your account may be removed and/or transferred to a comparable Service plan if the Service or pricing becomes unavailable as a result of the transfer.

h. Can Rogers cancel my Services and when does cancellation take effect?

Rogers may cancel any or all of your Services or accounts and any corresponding Agreement, as long as we give you at least **30** days' prior written notice. Applicable charges continue until the cancellation date.

i. Can Rogers suspend or cancel my Services without notice?

We may restrict, suspend, block, disconnect or cancel any or all of your Services, Equipment, accounts or identifiers in any way, including 9-1-1 service, without notice or liability to you, if:

- i. you are in breach of an Agreement, including for non-payment;
- ii. you exceed your credit limit;

- iii. you fail to provide or maintain a reasonable security deposit or other credit requirement when we ask you to;
- iv. you agree to a deferred payment arrangement with us and fail to comply with its terms;
- v. you exceed our reasonable usage limits;
- vi. you have given us false, misleading or outdated information;
- vii. we reasonably suspect or determine that any of your account, identifiers, Services or Equipment is the subject of fraudulent, unlawful or improper usage or usage that adversely affects our operations or the use of our services, facilities or networks or those of third parties with whom we have roaming or network sharing agreements;
- viii. you harass, threaten or abuse us or our employees or agents;
- ix. you fraudulently or improperly seek to avoid payment to us;
- x. we need to install, maintain, inspect, test, repair, remove, replace, investigate, protect, modify, upgrade or improve the operation of the Services, the Equipment or our facilities or networks;
- xi. any account or service on which your Services depend is cancelled for any reason; or
- xii. we reasonably believe that there is an emergency or extreme circumstance that would warrant that action.

If we restrict, suspend, block, disconnect or cancel your Services, Equipment, accounts or identifiers:

- i. you must pay any amounts owing;
- ii. we may also restrict, suspend, block, disconnect or cancel, without notice or liability, your Services under any other agreement or account that you may have with us or a related Rogers entity (including accounts that may be in good standing);
- iii. you may be charged for any costs incurred by us

or any related Rogers entity in connection with your breach of these Terms, including costs incurred to enforce your compliance;

- iv. your access to emergency or accessibility services (e.g. 9-1-1) may also be restricted, suspended, blocked, disconnected or cancelled;
- v. your rates for services with related Rogers entities may change in accordance with the terms of those services; and/or
- vi. recurring service charges continue to apply during any suspension of Services.

j. Will these Terms still apply once my Services are cancelled?

Certain provisions of these Terms may still apply as they may still be relevant even after cancellation of all your Services. Specifically, Sections 1(b)-(d), 2(e)-(j), 4(b)-(c), 5(c), 6(d) and (f), 7, 8(b)-(d) and the arbitration provisions of Section 8(a) will continue to apply to you after cancellation of your Agreement.

3. Account, Charges and Billing Information

a. How does Rogers bill me for Services?

Service charges will start on the Activation Date and are billed in advance. Unless we both agree to a different arrangement, your billing period runs for one month, and ends on the bill date noted on the top of your bill. Your Activation Date and billing period won't always start on the same day. When this happens, your Service charges and allotted usage are pro-rated for the period between your Activation Date and your bill date. Usage charges, such as additional data, airtime, long distance, movie or event purchases and roaming are billed after you use them. We may bill you for a charge up to **6** months from the date the charge was incurred.

b. When is my bill payment due?

Charges on your account are due and payable in full from the date of your bill. If you are paying by mail or through a financial institution, please allow adequate time for your

payment to reach us before the required payment date. You are responsible for all charges on your account

c. What if I don't pay my bill on time?

If we do not receive payment of an amount due on your account by the specified required payment date, it will be subject to a late payment charge of **3%** per month. This late payment charge will accrue on a daily basis and will be calculated and compounded monthly on the outstanding amount (**42.58%** per year) from the date of the first bill on which it appears until the date we receive that amount in full. You agree that we can charge any unpaid and outstanding amount, including any late payment charges, on any pre-authorized payment method on your account (e.g., a credit card or bank account withdrawal).

d. Will Rogers ever assign my account to a collection agency?

Yes, if your account has an unpaid final balance, then we may assign your account to a collection agency after your account has been cancelled:

- i. at any time, if the contact information for your account is no longer valid;
- ii. no earlier than **25** days after the cancellation date, if your account was cancelled for non-payment; or
- iii. no earlier than **35** days after the cancellation date, if your account was cancelled for any other reason, and you have an unpaid final balance of **\$75** or more or you have not returned rental Equipment.

e. Will I be subject to any administrative charges?

We may apply administrative charges in connection with your account, including as a result of the following:

- i. price plan change;
- ii. phone number (or other identifier) change;
- iii. bill reprint requests;
- iv. move or transfer of an account or line;
- v. collection efforts due to non-payment;
- vi. returned or rejected payments; and/or
- vii. the restoral or suspension of Service.

A list of these charges is available on request, or at [rogers.com/charges](https://www.rogers.com/charges), and forms part of these Terms.

f. What if I do not understand or disagree with a charge on my bill?

Any questions or discrepancies regarding charges must be reported to us within **90** days of the date of the applicable bill. Failure to notify us within this time period means that you have accepted those charges. If any of those discrepancies resulted in unauthorized or incorrect charges on your account, then we will reverse those charges within **30** days of receiving notice from you.

If you have reported a billing discrepancy to us, then we will wait at least **10** days before cancelling your service in accordance with Section 2(h) or Section 2(i).

g. How do discounts and promotions work?

We will apply a discount, promotion or benefit to your account as long as you remain eligible for it. We may check your eligibility from time to time, and if you become ineligible to receive that discount, promotion or benefit for any reason, we may remove it, and/or transfer your Service to a comparable Service plan.

h. How is wireless local and long distance airtime charged?

Local and long distance airtime charges are rounded up to the next full minute. A one-minute minimum charge applies to every completed call (made or received). The airtime for the entire call is charged based on the applicable rate at the beginning of the call. Airtime charges (plus long distance, if applicable) apply to completed or answered calls from the moment you press SEND until you press END and includes the ring time. For international calls or while roaming, you may be charged regardless of whether the call is completed.

i. How does Rogers determine if I'm on a long distance wireless call?

Wireless local calling areas are the areas in which you can make or receive calls without incurring long distance charges. Wireless calls are defined as local

or long distance based on local calling areas. Your location at the time of the call, your wireless phone number and the phone number called are all important factors in determining local calling areas and wireless long distance. Your "Incoming Local Calling Area" is based on the geographical location associated with your wireless number. All calls that you receive while you are in your Incoming Local Calling Area are local. All calls that you receive while you are outside your Incoming Local Calling Area are long distance. Your "Outgoing Local Calling Area" is determined by your physical location. If you dial a number that is local to your physical location, then it is a local call. If you dial a number that is long distance to your physical location, then it is a long distance call. When using Call Forwarding, long distance charges apply when the number to which you forward the call is outside the geographical location associated with your wireless number, regardless of your physical location. Visit [rogers.com/voicemailbusiness](https://www.rogers.com/voicemailbusiness) for current long distance rates.

j. How is business phone long distance calling charged and how does Rogers determine if I'm on a long distance phone call?

Long distance charges are rounded up to the next full minute. A one-minute minimum charge applies to every completed long distance call you make. For international calls, you may be charged regardless of whether the call is completed. For business phone Services, calls are defined as local or long distance based on local calling areas, and your local calling area depends on your business phone number. If you dial a number that is long distance to your business phone number, then it is a long distance call. When using Call Forwarding, long distance charges apply when the number to which you forward the call is outside your local calling area.

k. Does my small business internet package have a maximum monthly overage charge?

If you subscribe to an unlimited internet package, then you will not incur overage charges. If you subscribe to

an internet package that is not unlimited and you go over your package's monthly usage allowance, then you will incur overage charges at the rate set out when you signed up for the service or in the service agreement you received when you subscribed to your internet package, up to the monthly maximum stated in such document.

4. Deposit and Credit Requirements

a. Does Rogers require security deposits or other payment or credit requirements?

Yes, we may require a security deposit or impose other payment or credit requirements such as interim payments, mandatory pre payments, or pre-authorized payments.

b. How are security deposits used?

Any security deposit you provide to us will be kept for at least **12** months, unless your Services are cancelled sooner. After **12** months, we may release and apply the security deposit against your account balance if we determine that your payment history has been satisfactory or that you have otherwise met our financial criteria for the return of the security deposit. We may apply your security deposit toward your account if you do not pay your bill and we may require you to replenish the security deposit after use. We will notify you when we apply all or part of any security deposit. We will return to you any security deposit with applicable interest within **30** days of cancellation of your Services or once we have determined that the conditions for returning the security deposit have been met.

c. Will I earn any interest on security deposits?

Yes, you will earn interest on your security deposit with us, using the Bank of Canada's overnight rate in effect at the time, plus **1** percent, on the basis of the actual number of days in a year, accruing on a monthly basis. Interest is earned starting from the date we collect a security deposit from you (but no earlier than required under applicable legislation or regulation) until the date we return it to you.

d. Will Rogers impose a credit limit on my account?

Upon notice to you, we may assign or change a credit limit on your account at any time. Service may be suspended at any time to any and all of your accounts if your balance, including unbilled usage and pending charges, fees and adjustments, exceeds this limit. Recurring service charges continue to apply during any suspension of Services.

5. Your Use of the Services

a. Do I own my phone number?

You do not own any phone number, e-mail address or other identifier assigned to you. We may change or remove an identifier at any time.

b. Does Rogers monitor the content that I transmit when I use the Services?

We have the right, but not the obligation, to monitor or investigate any content that is transmitted using the Services (other than voice Services) or the Equipment. We may also access or preserve content or information to comply with legal process in Canada or foreign jurisdictions, operate the Services, ensure compliance with an Agreement, or protect ourselves, our customers or the public.

c. What are my responsibilities relating to the Services, and Rogers or third party software or content?

All trademarks, copyright, brand concepts, names, logos and designs that we use are intellectual property assets, registered or otherwise, of or used under license by Rogers Communications Inc. or of one of its affiliates. All are recognized as valuable assets of their respective owners, and you may not display, copy or use them in any manner for any purpose.

The Services and any software or content that you receive or purchase through Rogers or our third party storefronts is for your lawful, own use. You agree that you will only use the Services and this software and content in accordance

with your applicable Agreement and any applicable license agreements.

Without limiting the previous paragraph, you may not:

- i. copy, distribute, transfer or sell any of the Services or this software or content;
- ii. modify, alter or tamper with any of the Services or this software or content;
- iii. reverse engineer, decompile or disassemble any of this software;
- iv. attempt to defeat, avoid, by-pass, remove, deactivate or otherwise circumvent any software protection mechanisms.

The Services and this software and content remains our property or that of our licensors or content providers, as applicable. Except for the limited rights explicitly granted to you, all right, title, interest and intellectual property rights in and to the Services and this software and content are retained by their respective owners and are protected by applicable trademark, copyright and/or other intellectual property laws and treaties. You must take reasonable steps to protect the Services and this software and content from theft, loss or damage.

Please be aware that software or content may from time to time automatically and, without notice to you, cause your Equipment to access the internet incurring data usage and/or overage charges.

d. What do I need to know about the Yahoo! Services available to me?

Yahoo!, through its corporate entities may provide Rogers internet Service customers with access to a collection of resources, including various communications tools and content (the “**Yahoo! Services**”). When you use the Yahoo! Services, Yahoo!’s terms of service, guidelines and rules (“**Yahoo! Terms**”) applicable to such services that are posted on the pages where you access these services govern your use of the Yahoo! Services. With respect to Rogers internet Services and the Yahoo! Services, the obligations of Rogers and Yahoo! are

several and not joint. Information about how your personal information is treated when using the Rogers internet Services and Yahoo! Services is available at policies.yahoo.com/ca/en/rogers/privacy/index.htm.

6. Equipment

a. Is Equipment new or refurbished?

Equipment that you purchase from us is new, unless otherwise indicated. Equipment that you rent from us is refurbished, unless otherwise indicated, and is based on availability.

b. May I upgrade my Equipment?

You may request to upgrade your Equipment at any time by contacting us in any of the ways set out in Section 8(e) below. If your Equipment is eligible to an upgrade, you may be subject to an administrative charge in accordance with Section 3(e) above and/or other fees associated with the upgrade. If, in connection with your Equipment upgrade, you are subscribing to a new Term and cancelling a previous Term early, you will be charged an Early Cancellation Fee. Please note that if you wish to upgrade your Equipment, you may also be required to change to a Service that is currently available in market. Also please note that any Service or Equipment you remove may no longer be available.

c. Is my Equipment restricted to the Rogers network or Services?

For wireless Services:

Your wireless device is not locked to the Rogers network. If your wireless device is or becomes locked to the Rogers network, please contact us and we will provide you with the means to unlock it at no charge. Please note that for the first **90** days following the Activation Date, if you are roaming off the Rogers network, your Service will be restricted from placing outgoing calls to destinations other than those that have a North American area code (including Canada and the USA) and the destination at which you are located while placing the call.

For non-wireless Services:

Purchased and rental Equipment are to be used only with Rogers Services at the service address identified on your account. If you attempt to tamper with any Equipment, it may become permanently unusable and may violate the software licence agreement for that Equipment.

d. Will Rogers ever need access to my property?

For business Services, you authorize us and our representatives to enter or have access to your premises as necessary at mutually agreed upon times to install, maintain, inspect, repair, remove, replace, investigate, protect, modify, upgrade or improve the operation of our services, the Equipment or our facilities or networks. If any of your Services or accounts have been cancelled, then you authorize us and our representatives to enter or have access to your premises to disconnect the Services and remove our Equipment, as applicable.

e. Who is responsible for ensuring that my Equipment is compatible and up to date?

Equipment and related software may have to meet certain minimum requirements and be maintained in certain ways and in certain locations in order to access the Services or for the proper operation of the Services (e.g., 9-1-1 services). Those requirements may change from time to time without notice and you are responsible for updating or maintaining your Equipment and software as necessary to meet those requirements. We may provide software updates for the Equipment for the continued operation of the Services or the Equipment. Likewise, from time to time we may have to modify or remove previous software features in order to introduce new features to ensure that the Equipment remains compatible with technological advancements. If your Equipment or software is not up to date, we may not be able to provide you with applicable customer support.

If you use Equipment that you did not purchase or rent from Rogers, your access to and the proper operation of the Services (e.g. 9-1-1 service and public alerts) may be limited. We recommend that you use Equipment provided by Rogers.

f. What are my responsibilities relating to the Equipment?

You are solely responsible for:

- i. any access to the Equipment;
- ii. providing any additional connections, as well as inside wiring and business phone terminal equipment, that are not provided by us;
- iii. reconnecting any of your equipment and facilities as necessary after cancellation of your Services;
- iv. maintaining the security and privacy of your property and your transmissions using the Services, the Equipment or our facilities or networks;
- v. protecting against any breaches of security or privacy or other risks involved in installing, using, maintaining or changing the Services or the Equipment; and
- vi. ensuring that there are no unauthorized attachments to the Equipment or our cable (e.g., for television Equipment, only **1** television may be attached to any outlet).

Except for Equipment that you have purchased, all Equipment we install or provide to you remains our property. For all Equipment we own, you must:

- i. take reasonable care of it;
- ii. not sell, lease, mortgage, transfer, assign or encumber it;
- iii. not re-locate it without our knowledge and permission; and
- iv. return it to us at your own expense upon cancellation of the Services to which the Equipment is related.

If our Equipment is lost, damaged, stolen, sold, leased, mortgaged, transferred, assigned, encumbered or not returned, you must immediately notify us. You agree to pay us the undiscounted retail value of that Equipment, together with any costs we incur in seeking possession of it.

7. Warranties and Limitation of Liability

Please note that the term “**Rogers Parties**” includes Rogers and its affiliates, partners, licensors, dealers, representatives, suppliers and agents (and their respective employees, officers, directors, shareholders and representatives).

a. Are there any warranties on the Equipment?

The Equipment may be covered by a manufacturer’s or other warranty. Please see the materials accompanying your Equipment for warranty information and details, including coverage, duration and how you may make a claim under the warranty. There may also be optional Equipment protection programs made available to you from time to time.

b. Are there any warranties on the Services?

The Services that Rogers provides may be impacted by factors beyond Rogers’ reasonable control. For this reason, you acknowledge and understand that the Services or access to the Services, including 9-1-1, public alerts or accessibility services, may not function correctly or at all in the following circumstances:

- i. if your Equipment fails, is not configured correctly or does not meet Rogers’ requirements;
- ii. if you install certain third party applications on your Equipment;
- iii. in the event of a network outage or power failure;
- iv. if you tamper with or, in some cases, move the Equipment; or
- v. following suspension or cancellation of your Services or account.

To the maximum extent permitted by applicable law:

- i. the Rogers Parties do not guarantee or warrant the performance, availability, coverage, uninterrupted use, security, pricing or operation of the Services, the Equipment or any products, content, applications, software, services, facilities, connections or networks used or

provided by us or third parties (collectively, the “**Offering**”);

- ii. Rogers may limit the amount of an Offering that you may purchase;
- iii. you bear the entire risk as to the use, access, transmission, availability, reliability, timeliness, quality, security and performance of the Offering;
- iv. the Rogers Parties do not make any express or implied representations, warranties or conditions, including warranties of title or non-infringement, or implied warranties of merchantable quality or fitness for a particular purpose, with regard to the Offering;
- v. all representations, warranties and conditions of any kind, express or implied, are excluded;
- vi. no advice or information, whether oral or written, that you obtain from the Rogers Parties creates any term, condition, representation or warranty not expressly stated in an Agreement.

c. How does Rogers limit its liability?

Unless otherwise specifically set out in an Agreement, to the maximum extent permitted by applicable law, and **except in respect of Québec Small Businesses* for damages resulting from a Rogers Party’s own act**, the Rogers Parties will not be liable to you or to any third party for:

- i. **Not applicable to Québec Small Businesses*:** any direct, indirect, special, consequential, incidental, economic or punitive damages (including loss of profit or revenue; financial loss; loss of business opportunities; loss, destruction or alteration of data, files or software; breach of privacy or security; property damage; personal injury; death; or any other foreseeable or unforeseeable loss, however caused) resulting or relating directly or indirectly from or relating to the Offering or any advertisements, promotions or statements relating to any of the foregoing, even if we were negligent or were advised of the possibility of such damages;

- ii. **Applicable only to Québec Small Businesses*:** any damages (including loss of profit or revenue; financial loss; loss of business opportunities; loss, destruction or alteration of data, files or software; breach of privacy or security; or property damage) resulting or relating directly or indirectly from or relating to the Offering;
- iii. any Offering provided to you or accessible by you through the Services, any charges incurred in connection with such Offering or anything that is or can be done with such Offering even if you are billed for such Offering;

- v. any error, inclusion or omission relating to any telephone listings or directories;
- vi. the denial, restriction, blocking, disruption or inaccessibility of any Services, including 9-1-1, public alerts or accessibility services, Equipment or identifiers (including phone numbers);
- vii. any lost, stolen, damaged or expired Equipment, identifiers, passwords, codes, benefits, discounts, rebates or credits;
- viii. any error, omission or delay in connection with the transfer of phone numbers to or from another telecommunications service provider, or any limitation connected to that transfer or that telecommunications service provider;
- ix. any acts or omissions of a telecommunications carrier whose facilities are used to establish connections to points that we do not serve;
- x. errors or omissions in relation to directory listings including your requests to add, change or remove your listing(s); or
- xi. any claims or damages resulting directly or indirectly from any claim that the use, intended use or combination of the Offering or any material transmitted through the Services infringes the

intellectual property, industrial, contractual, privacy or other rights of a third party.

Not applicable to Québec Small Businesses*: These limits are in addition to any other limits on the Rogers Parties' liability set out elsewhere in an Agreement and apply to any act or omission of the Rogers Parties, whether or not the act or omission would otherwise be a cause of action in contract, tort or pursuant to any statute or other doctrine of law.

d. Are there any additional limitations of liability that apply, including in relation to 9-1-1 emergency services?

For wireless Services:

We are not liable for:

- i. libel, slander, defamation or the infringement of copyright arising from material or messages transmitted over our network from your property or premises or recorded by your equipment or our equipment;
- ii. damages arising out of your act, default, neglect or omission in the use or operation of equipment that we provide;
- iii. damages arising out of the transmission of material or messages over our network on your behalf, which is in any way unlawful; or
- iv. any act, omission or negligence of other companies or telecommunications systems when their facilities are used in establishing connections to or from your facilities and equipment. Except in cases where negligence on our part results in physical injury, death or damage to your property or premises, our liability for negligence related to the provision of 9-1-1 emergency services on a mandatory basis is limited to the greater of **\$20** and **3** times the amount, if any, you would otherwise be entitled to receive as a refund for the provision of defective Service under an Agreement. However, our liability is not limited by this Section in cases of deliberate fault, gross negligence or anticompetitive conduct

on our part or in cases of breach of contract where the breach results from our gross negligence.

For business phone Services:

In order for 9-1-1 emergency services to function properly with business phone Services, you must use the adaptor which forms part of the Equipment we have provided you (“**Adaptor**”) and other Equipment at your service address. The business phone Services may not function correctly, or at all, in the following circumstances:

- i. if your Adaptor or other Equipment fails or is not configured correctly;

- iii. if you tamper with or move your Adaptor or other Equipment to a location other than your service address; or
- iv. following suspension or cancellation of your Services or account.

We will not be liable to you or to any third party for any inability to use the business phone Services or to obtain access to 9-1-1 emergency services as a result of the limitations described in this Section.

e. Are there any circumstances under which I would have to compensate Rogers?

You will indemnify and hold harmless the Rogers Parties from and against any claims, losses, damages, costs and expenses (including, without limitation, reasonable legal fees and other litigation expenses) incurred by the Rogers Parties relating to your violation, alleged violation or misappropriation of any intellectual property, industrial, contractual, privacy or other rights of a third party or any alleged libel or slander by a third party against you.

8. General

a. How can I resolve a complaint or dispute with Rogers?

If you have a concern that was not resolved, then we invite you to submit a Share a Concern form (located at

rogers.com/small-business/contact-us). If you're not satisfied with the resolution by one of our management team members, then you also have the option to speak to our Office of the President or even directly with the Ombudsman office.

To the extent permitted by applicable law, unless we agree otherwise, any claim or dispute, whether in contract or tort, under statute or regulation, or otherwise, and whether pre-existing, present or future, arising out of or relating to the following items will be determined on an individual basis by final and binding arbitration to the exclusion of the courts:

- i. an Agreement;
- ii. the Services or Equipment;
- iii. oral or written statements, advertisements or promotions relating to an Agreement, the Services or Equipment; or
- iv. the relationships that result from an Agreement.

Arbitration will be conducted in the province in which your small business head office is located, on a simplified and expedited basis by **1** arbitrator under the current laws and rules relating to commercial arbitration in the province or jurisdiction in which you reside on the date of the notice. Arbitration will be conducted only on an individual basis and not in a class or representative action or as a member in a class, consolidated or representative action. You and Rogers will each pay half of all reasonable costs associated with that arbitration. Any arbitration will be conducted in accordance with our Arbitration Protocol, which is available at rogers.com/terms.

b. What happens if part of an Agreement becomes unenforceable or doesn't apply?

If any portion of an Agreement is unenforceable, the remaining provisions continue in full force. Our failure to enforce strict performance of any provision of an Agreement does not mean we have waived any provision or right. Neither the course of conduct between us nor trade practice modifies any provision of an Agreement.

c. What if I would prefer to have a copy of these Terms in French?

These Terms have been drawn up in the English language at the express request of the parties. Les présentes modalités ont été rédigées en anglais à la demande expresse des parties. If you would like a copy of these Terms in French, please visit rogers.com/modalités, or request a copy in store.

d. What laws apply to these Terms and the rest of my Agreement?

Each Agreement is governed by any applicable laws of Canada and by the laws of the province in which your billing address is located and you submit to the jurisdiction of the courts of that province. However, if your billing address is outside of Canada, that Agreement is governed by the laws of the province of Ontario and you submit to the jurisdiction of the courts of Ontario. **Rights and remedies may vary by province.**

Therefore, you must take steps to ensure that others do not gain unauthorized access to the Services through any means, including, without limitation, wireless networking and wired networking. Additionally, the Services may not be used in any attempt to circumvent the user authentication or security of any host, network, or account, including, without limitation, accessing data not intended for you, logging into or making use of a server or account you are not expressly authorized to access, or probing the security of other networks. You may not disrupt the Services. The Services also may not be used to interfere with computer networking or telecommunications services to any user, host or network, including, without limitation, denial of service attacks, flooding of a network, overloading a service, improper seizing and abuse of operator privileges and attempts to crash a host. The Services may not be used to send messages to any individual who has indicated that he/she does not wish to receive messages from you. The Services may not be used to collect responses from unsolicited e-mail messages sent from accounts on other Internet hosts or e-mail services that violate this AUP or the acceptable use policy of any other Internet service provider. Moreover, unsolicited e-mail messages may not direct the recipient to any web site or other resource that uses the Services. Forging, altering or removing e-mail headers is prohibited. You may not reference any Rogers network (for example, by including Organization: Rogers in the header or by listing an IP address that belongs to a Rogers network) in any unsolicited e-mail even if that e-mail is not sent through a Rogers network. Mail bombing is prohibited. That is, you may not send numerous copies of the same or substantially similar messages, nor may you send very large messages or files to a recipient with the intent to disrupt a server or account. The propagation of chain letters is similarly prohibited, whether or not the recipient wishes to receive such mailings. For example, the Services do not provide the type of security, upstream performance and total downstream throughput capability typically associated with commercial use. You may not run a server in connection with the Services. You may not provide network services to others via the Services. In addition, you are prohibited from running servers for mail, http, ftp, irc, and dhcp, and multi-user interactive forums.

We reserve the right to manage our networks in order to optimize their efficiency for the benefit of our subscribers, including, without limitation, by way of the following: rate

limiting (speed), rejection or removal of spam or otherwise unsolicited bulk e-mail, anti-virus mechanisms, and protocol filtering. Violation of this Acceptable Use Policy

As set out in the Terms, we have the right, but not the obligation, to monitor or investigate any content that is transmitted using the Services (other than voice Services) or the Equipment; and to access or preserve content or information in accordance with the Terms. We prefer to advise subscribers of inappropriate behavior and any necessary corrective action. However, if the Services are used in a way that we, in our sole discretion, believe violates this AUP, any of the Rogers Parties may take any responsive actions they deem appropriate. Such actions may include, without limitation, temporary or permanent removal of content, cancellation of news group posts, filtering of Internet transmissions, and/or the immediate suspension or termination of all or any portion of the Services or your account. The Rogers Parties will have no liability for any such responsive actions. The above described actions are not exclusive remedies and the Rogers Parties may take any other legal or technical action deemed appropriate. Upon termination of an account, any of the Rogers Parties are authorized to delete any files, programs, data and e-mail messages associated with such account. The failure to enforce this AUP, for whatever reason, shall not be construed as a waiver of any right to do so at any time. If any portion of this AUP is held invalid or unenforceable, that portion will be construed consistent with applicable law as nearly as possible, and the remaining portions will remain in full force and effect. This AUP shall be exclusively governed by, and construed in accordance with the governing law provision set out in the Terms.

9-1-1 EMERGENCY SERVICE

Any wireless phone registered on the Rogers wireless network can be used to dial 9-1-1 for assistance in the case of an emergency. 9-1-1 calls are automatically routed to the most appropriate public safety agency. When calling 9-1-1 always provide your name, wireless phone number and the specific location you are calling from. And remember, it's important to speak clearly. Unlike wireline-based 9-1-1, the emergency operator does not necessarily know your exact location until you provide this information. Stay on the line for as long as the 9-1-1 operator requires. Calls to 9-1-1 are free so take all the time that you need. Leave your handset turned on after hanging up in case the 9-1-1 operator needs to call you back. Please do not program 9-1-1 into your speed dial. This can lead to accidental calls that take up valuable emergency resources.

Calls to 9-1-1 from your wireless phone are subject to the same limitations as regular wireless calls. For example, if you are underground or too far from a wireless network antenna, the quality of your call may be affected, or you may not be able to connect to the network.

Phase One of Enhanced 9-1-1

Phase One of Enhanced 9-1-1 or E9-1-1 is designed to help 9-1-1 operators react more quickly and accurately in emergency situations. E9-1-1 provides emergency operators with the phone number of the caller and the location of the wireless network antenna receiving the

call but not the caller's exact location. The caller must still provide this information. The caller's phone number allows the emergency operator to re-establish contact with the caller if the connection is lost. The wireless network antenna location helps emergency operators identify the most appropriate emergency services to dispatch.

Phase Two of Enhanced 9-1-1

Phase Two of Enhanced 9-1-1 is designed to provide more accurate location information than Phase One. E9-1-1 emergency operators that have the necessary systems deployed will not only receive the caller's phone number, but will also receive geographic coordinates associated with the caller's approximate location.

A caller's location will be automatically determined using special technology enabled in the Rogers network and in certain handsets and will help ensure that callers get the proper help as quickly as possible.

Any customer registered on the Rogers wireless network in an area served by E9-1-1 that has the necessary systems deployed will have access to Phase One and Two. This includes Rogers wireless customers in their local area and Rogers wireless customers visiting an area in Canada served by E9-1-1. For more information about E9-1-1 and to verify if Phase Two is deployed in your area, please visit rogers.com/911.

HOW TO REPORT AN EMERGENCY

1	Immediately tell the operator that you're calling from a wireless phone and provide your 10-digit phone number.
2	Give details of the emergency.
3	Give as much information about your current location as you can, such as highway/street name, floor level and landmarks. Unlike landline-based E9-1-1, the emergency operator does not know your specific civic address, which could be more accurate than your geographic coordinates.
4	Remain on the line and follow all instructions provided by the emergency operator.
5	After the emergency operator ends the call, leave your wireless phone turned on in case the emergency operator needs to call you back.
